## STUDIO PARTIES

### **ROLLIN' RASCALS/GYMNASTIC PARTIES:**

An instructor from our Rollin' Rascals or Gymnastics program will guide your children through mazes, obstacle courses, and instruct on usage of the parallel bars, beams, ropes, rings, parachutes and more for **ONE HOUR**. All of the classes are geared toward a birthday theme and to the age and ability level of the participants. The instructor will try to include all of the "Birthday Child's favorite activities that they request. Children will work in circles, diagonals, and in lines while dressing up in costumes and/or using various props such as canes, hats, baton, hula hoops, maracas, lumi sticks, princess wands, umbrellas and more. The entire class is geared toward the average age of the participants while the instructor incorporates all of the favorite "Birthday Child's activities.

**WE SUPPLY** the invitations that can be colored by the birthday child and helium balloons for each child to take home. Helium balloons are also placed outside to show where the party is.
